

Cheetah Class Newsletter

What a fantastic couple of weeks we have had in Year 6! In Design and Technology, we continued our healthy eating unit by making our own flatbreads and hummus. The children thoroughly enjoyed preparing and tasting their creations and showed excellent food preparation skills.

Earlier this week, we visited Crucial Crew at Aintree Racecourse. The children took part in a range of workshops focusing on important aspects of health and safety, including vaping, smoking, healthy eating, water safety and road safety. We had a lovely afternoon and the children represented our school brilliantly.

PGL Residential

This week, many of our Year 6 children enjoyed an amazing few days at our PGL residential. The children took part in a range of exciting activities, including zip lining, climbing and team-building challenges. It was wonderful to see them supporting one another, building confidence and demonstrating excellent teamwork throughout the trip.

It has been lovely spending a few days with the children and getting to know those I have not previously had the pleasure of teaching. They have been incredibly brave, responsible and a real credit to our school.

I have heard from Miss Nelms that the children who remained in school also had a fantastic few days. They enjoyed a variety of team-building activities, made fruit kebabs, decorated cookies and completed lots of art projects linked to our Rights Respecting work. The children worked together to create a beautiful display and were rewarded with a McDonald's treat, which they thoroughly enjoyed. It sounds like everyone had a wonderful time!

Next week, our Year 6 pupils will take part in Playground Leader Training, which will help them to develop their leadership skills and prepare them for supporting younger children around school.

We also have Bikeability coming up soon. A letter containing further information and dates will be sent home with your child shortly.

A reminder that we are still collecting donations for our Harvest celebration. Any donations would be greatly appreciated and can be brought into school.

Stars of the Week

A huge congratulations to:

★ Elijah, Ruby, Seth, Aaron, Jack and Charlie

Well done to all of you! You have demonstrated a fantastic attitude to learning and have been excellent role models in Year 6. Keep up the great work!

We have had a wonderful few weeks and I am incredibly proud of all of the children. Whether they were challenging themselves at PGL or taking part in the fantastic activities in school, they have shown maturity, resilience and excellent teamwork.

I hope the children enjoy a well-deserved rest this weekend. I am sure that Mr Wong and I will too!

Thank you, as always, for your continued support.

Have a lovely weekend!

Mrs Smaje
